Flanges for Thermowells (1/8" & 1/4" Diameter Elements) A27 Series

Flanges are available in stainless steel 304 and 316 and carbon steel (C-1018). Monel and other materials are available upon request. Primary "J" groove weld; secondary 45 degree beveled groove weld. All welding is performed by Navy certified welders using inert gas shielded arc.

NOTES:

- (RF - raised face) Standard ASA Serrated
- (FF - flat face), (RTF - ring type flange)
